1. An Entry fee will be deemed by the committee for the both the Futurity and Derby events, and will be posted on the official entry form. The Futurity & Derby shall consist of 2 Long Go Rounds, a Short Go, and an Average. The Short Go qualifiers will be determined by a horse's average. In the event of a tie for last place qualifying for the short go, the fastest combined time of 2 runs will be taken between the contestants who are tied. If this does not break the tie, both contestants will be invited to compete in the Short Go. The Average will be determined by a horse's fastest qualifying time over the 2 Long Go's and the Short Go time combined. These 2 will flip a coin.

2. Entry Fees may be split into 2 payments. A minimum of half the entry fee must be received by the committee no later than Aug 15; the remainder is due by Sept 15. Failing to meet the Aug 15 deadline will result in a \$50.00 late fee. A \$50.00 late fee will be assessed with each late payment for each horse entered. All stall, ground, camping, and side pot fees must accompany your second payment. Only horses that have both payments, and paperwork submitted by the Sept 27th deadline will go in the draw.

To be eligible for the Futurity, the horse must NEVER have competed in ANY barrel race, including AQHA shows, play days, novice horse events, derbies, rodeos, etc. prior to December 1 of the previous year. To do so means forfeit of any and all fees paid and elimination from the futurity. The Futurity Long go's will be a 2D (two division event) with 1second split determining the divisions. You have to enter the 2D. The short go and average will not have any split.

4. The Derby is Open to horses 7 years of age and younger of the competing year. There are no rules on prior competition for the Derby. No horse may enter both the CBHI Futurity & Derby within the same year. The Derby will be a 2D (two division event) with 1 second split determining the divisions. You have to enter the 2D.
