## PEACHLAND RIDING CLUB ~ FACILITY AND HISTORY

The Peachland Riding Club was formed in 1969 by a small handful of volunteers and is currently one of the strongest and longest running riding clubs in the beautiful Okanagan Valley of British Columbia.

Our grounds are located on 8.3 acres of Municipality owned parkland, the Mountainview Park, and is maintained and managed by Peachland Riding Club volunteers with the help of the Peachland Municipality. We have direct access to miles and miles of beautiful trail riding systems. Our grounds have a lovely vintage two-story clubhouse with washrooms, small kitchen, office in the lower level and banquet/bar area with a capacity of 85 people on the upper. There is also a separate washroom building, concession building and fenced picnic area.

Our rodeo/riding arena is an outdoor 160' x 240' sand arena, with a 15' x 60' run in/out alleyway and a 60' x 75' holding pen access to alleyway. The footing was completely replaced in 2012 and has been carefully maintained for safety and consistency since. The arena fencing is currently 60% 2W Livestock products and the remaining portions are slated to be replaced by the end of 2017. The roughstock set up (chutes and back pens) and the timed event end (chutes/boxes and herringbone sorters) are all High-Hog steel. There is a two story announcer stand with office on lower level.

There is a warm up area that is approximately 100' x 100' adjacent to the arena alleyway and holding pen. We also have 12 portable style 10'x10' stalls and 15 10'x10' wood rail outdoor pens.

We have outdoor bleacher seating for approximately 250 people on one side of the arena and natural hillside where people can sit in the shade on their lawn chairs on the other side of the arena.

Although the club has hosted every equine event imaginable from English and western shows, breed shows, competitive trail rides to poker rides, Cowboy polo and 4H events, clinics, workshops and many social activities, for the past 25 years the club focus has been mainly gymkhana and barrel racing events. We have also hosted Little Britches and High School Rodeos, rodeo clinics and roping events for the past 11 years.

Our Canada Day Events started about 8 years ago and was strictly a barrel racing event in the beginning, then we added team roping about five years ago. Depending on when Canada Day lands in the week, these events have been 1-3 days long and usually have a social event included.
